Hearing to consider Title 130 Zoning Ordinance for the cultivation of cannabis for personal use, amending Zoning Ordinance Section 130.14.260 (Outdoor Medical Cannabis Cultivation for Personal Use). The proposed amendments will make the existing ordinance consistent with state law, which allows for the cultivation of no more than six cannabis plants per residence for either medicinal use or recreational use by adults over the age of twenty-one. The proposed amendments would no longer distinguish between cannabis grown for medicinal use versus recreational use by adults over the age of twenty-one and would instead impose consistent regulations for all cannabis grown for personal use. Staff is recommending the Planning Commission recommend the Board of Supervisors take the following actions:

- 1) Find that the adoption of the proposed amendments to Section 130.14.260 is not subject to the California Environmental Quality Act (CEQA) pursuant to Sections 15061(b)(3), 15060(c)(2), 15060(c)(3), 15305, and 15308 of the CEQA Guidelines;
 - 2) Recommend approval of amendments to Section 130.14.260 of Title 130, Article 9 of the El Dorado County Ordinance Code entitled "Outdoor Medical Cannabis Cultivation for Personal Use" renumbered as Section 130.42.100 of Title 130, Article 4, and retitled as "Cultivation of Cannabis for Personal Use," with amendments; and
 - 3) Find that the ordinance shall take effect immediately upon final passage pursuant to Government Code section 25123(d) in order for the immediate preservation of the public peace, health, and safety.
