Congratulations! The Department of Resources Recycling and Recovery (CalRecycle) approved funding your project on April 2, 2020. The Grant Agreement package consists of the following:

- Grant Agreement Cover Sheet, CalRecycle 110 (attached)
  - Exhibit A – [Terms and Conditions](#)
  - Exhibit B – [Procedures and Requirements](#)
  - Exhibit C – Application (attached)

Please review the Grant Agreement package and complete the grantee portion of the Grant Agreement Cover Sheet. CalRecycle must receive the original Grant Agreement Cover Sheet with a wet signature via mail **and** a scanned version\* via email of the signed Grant Agreement Cover Sheet by **June 16, 2020**.

**\*Please note:** Scanned copies of the signed Grant Agreement Cover Sheet is a temporary policy adjustment due to our current situation surrounding COVID-19.

Your specific award amount is located on the Grant Agreement Cover Sheet. Please review the Payment Address listed on the Grant Agreement – this is where all payments will be sent. If changes to the Payment Address are required, please contact me directly as soon as possible.

The grant award is subject to two conditions as stated in the [Request for Approval of Awards for the Local Government Waste Tire Enforcement Program](#). If the Grant Agreement is not signed and physically received by CalRecycle **or** the recommended grantee does not pay or bring current all outstanding debts or scheduled payments owed by it to CalRecycle within 60 calendar days of the date of this letter, **June 16, 2020**, then the proposed grantee will not have fulfilled the required conditions, and the award will be void.

The Grant Agreement Cover Sheet must be signed by the authorized signatory identified in your Resolution. If the Resolution authorizes a Designee and the Signature Authority would like to

designate another individual to sign on his or her behalf, the authorized signatory must provide a Letter of Designation identifying the job title of the Designee.

**Note:** This email is being sent to all contacts associated with this grant. It is the Primary Contact's responsibility to coordinate the completion and submittal of the Grant Agreement.

Please retain all Grant Agreement package documents, which include Exhibits A through C, for your records and return **only** the Grant Agreement Cover Sheet (and the Grant Payment Request form, if applicable), to:
