Hi!

I assume this comment is to be added as public comment for the Monday special meeting on the budget.

Don's FB announcement encouraged comments from the public on programs...

Thanks!

Subject: Placerville senior daycare program

To: <bosthree@edcgov.us>

Dear Mr. Veercamp,

I have been a volunteer at the senior daycare in Placerville since I was 12 years old. Closing down this program would devastate this community. We have many elders in our lovely town and hundreds have benefited from this program. Three generations of my family have spent time with these seniors creating so many special memories. I ask that that you keep this center open for the sake of these wonderful seniors who benefit from the friendships, art, and comfort that comes from this place. I hope my daughter will get the chance to have the experiences I had entertaining and giving back to these seniors. Please consider keeping this program open so that we can give our elders the love and respect they truly deserve. Sincerely, Lindsey McDonald
