

EL DORADO COUNTY FEDERAL GRANT PROGRAMS

JUNE 2020

AGENDA

- ❖ Update on federal grant programs for broadband
- ❖ Overview of EDA CARES grant, \$1.5 Billion for infrastructure
- ❖ Possible pilot projects for Fiber to the Premise, Engineering work
- ❖ Next steps

FEDERAL GRANT FUNDING PROGRAMS

- USDA Community Connect Grant (last mile)
- USDA ReConnect Program (last mile), funded Rounds 1 and 2, \$200M as supplement through the CARES Act, hoping for Round 3 announcement later this year
- RDOF Program
- EDA, Recent Announcement of \$1.5 Billion in infrastructure funding in response to COVID-19

* Only Eligible if FCC maps show less than 10/1 Mbps

* FCC maps show 522 households are eligible, but over 32,000 households lack service, 10,000 households do not have 25/3 Mbps; protected borrower status limits eligibility

EDA

- ❖ EDA, Recent Announcement of \$1.5 Billion in infrastructure funding in response to COVID-19,
- ❖ Grants can be submitted now, first come, first serve basis, window opened May 7th
- ❖ State and Local government program (no for-profit companies)
- ❖ No requirement to prove 25/3 Mbps or 10/1 Mbps
- ❖ Funds for economic development infrastructure
- ❖ 20% match requirement
 - Can be less if County can show it has lost sufficient revenue, has no additional borrowing capacity, inability to raise sufficient taxes

EDA CONTINUED

- ❖ EDA will accept applications for grants to support a wide variety of assistance including:
 - Planning and Technical Assistance
 - Capitalization and Recapitalization of Revolving Loan Funds (RLFs), which provide access to capital for businesses
 - Construction of infrastructure and other economic development projects
 - Innovation grants

PREPARING FOR RECONNECT AND/OR COMMUNITY CONNECT GRANTS, PLANNING AND TECHNICAL ASSISTANCE

- ❖ Speed Test Data to Refute the FCC Mapping Information
- ❖ Final Design and Engineering

Priority Areas	Densely Populated Areas	Total
\$ 1,972,600	\$ 2,468,268	\$ 4,440,868

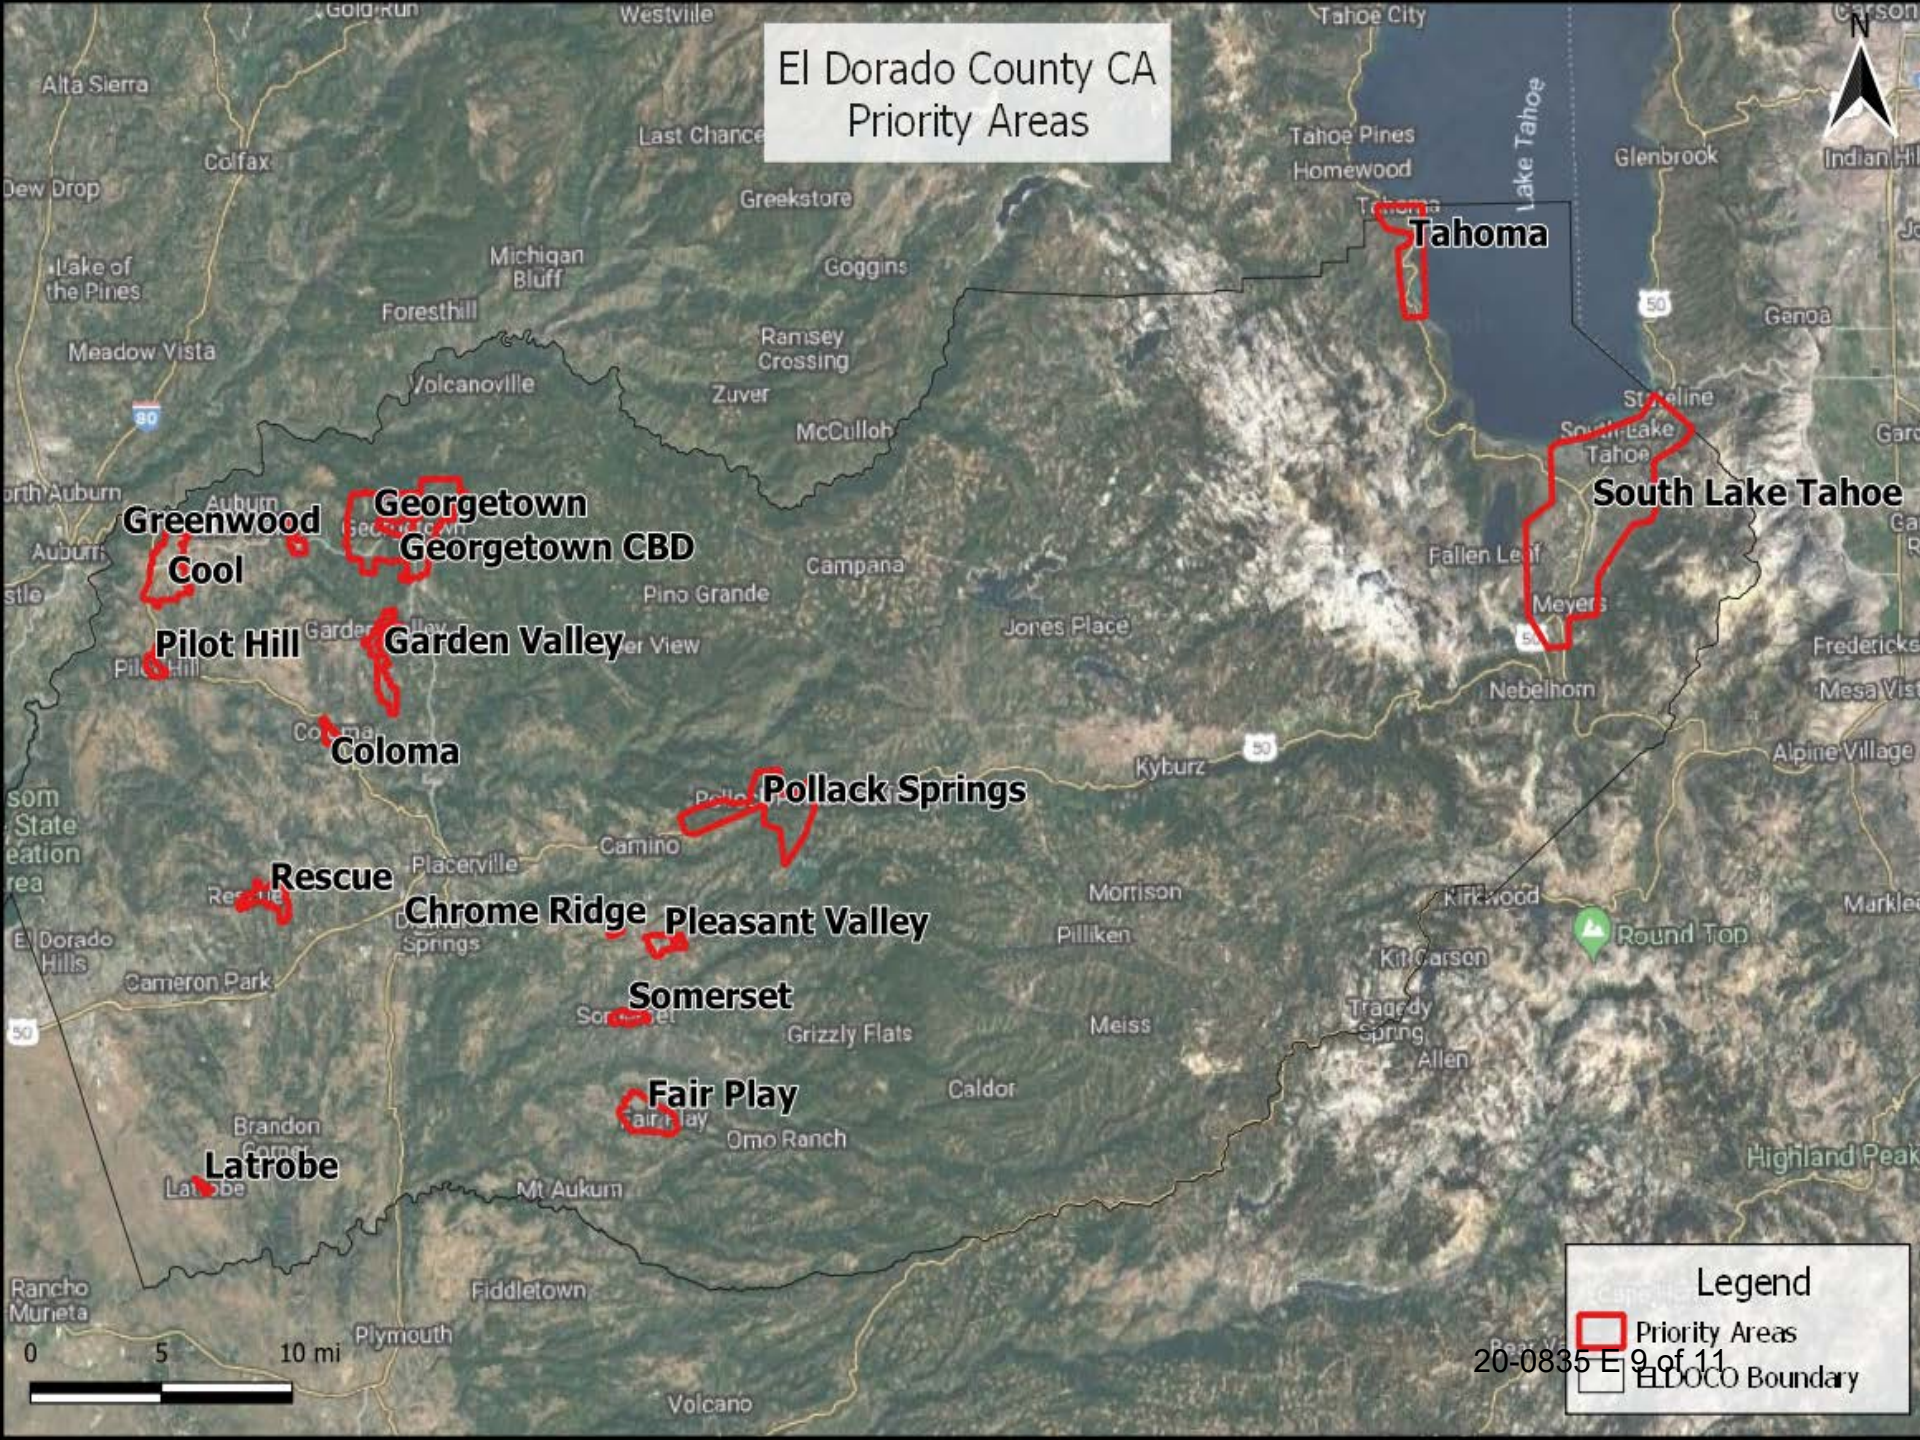

FUNDING A FIBER TO THE PREMISE PILOT PROJECT

- FUNDING CRITERIA

- ❖ Focus on Economic Development – Retain and Create Jobs for Businesses
- ❖ Demonstrate Teleworking, Telemedicine and Skills Training
- ❖ Publicly-owned infrastructure
 - Does not include infrastructure on private property (Fiber from the curb to the house) or
 - Customer Premise Equipment or other equipment at the house

FTTP Estimates, Priority Areas in Area 2	Chrome Ridge	Eligible for EDA Funding
Engineering	\$ 1,628	Yes
Aerial Construction Labor	\$ 6,339	Yes
Underground Construction Labor	\$ 76,215	Yes
Tech Services, Fiber Splicing Labor	\$ 9,889	Yes
Customer Premise Labor and Install Materials including Splitters	\$ 17,351	No
Outside Plant Materials	\$ 39,345	Yes
Electronics	\$ 34,776	No
Total Project Capital Costs Before Contingencies	\$ 185,543	
Engr. Project Management, Construction Management, Permitting, As-builts	\$ 9,277	Yes
Administrative and Project Management (2%)	\$ 3,711	Yes
Contingency (20%)	\$ 37,109	Yes
Total Capital Costs	\$ 235,640	20-0835 E 8 of 11
