Please attach to August 4th, El Dorado Rate Hearing item for public comment.

Lenore Burnham Ward ▶ Lori Parlin, El Dorado County District 4 Supervisor

I want to inquire about a post I saw regarding an item going up for vote in August for a rate hike for garbage service. Another increase when we were promised none. People are already using my can to dispose of their garbage. Now this will be forcing more people to drop service they can afford.

Dear Sir...in reading the recent post card about the proposed rate increase for Waste Management, it looks like almost an 8.25% increase. It would have been nice if it spelled out the areas, not just A,B,C and also the dollar amounts. That being said, it seems like a very wrong time to increase the rates of anything with so many people out of work and struggling. Perhaps this increase could be postponed until a better time, maybe next year. Seems like that is was EID has done.

Thank you for your consideration
