I am very much against the rezoning of the old golf course to build new housing. I have lived in EDH since 1991 and have seen this community change immensely. While I understand building it going to happen in this community I feel this is a very bad idea. Since I have lived here so long I remember Serrano being built and our beautiful hills being torn apart. While Serrano was built with open areas and several parks it is also an area not assessable to the average person. Part of the building of Serrano was to leave open land so we don't look like every other community, but we see that promises made by Parker will not be kept. The golf course was abandoned and now they want more houses (Pretty sure this has been there goal a along.). Please protect our community and allow massive building of houses that not only look terrible but we don't have the water supply for. Gail Kopp

There is public opposition to ALL of these projects, Dollar General, the Vineyards, Parker Golf Course, The other side of EDH boulevard, Latrobe Road multi-family. **WE DON'T WANT IT.**

EDH was not designed for this suburban sprawl. It's already crowded. We don't want more people. Quit trying to become a big city. Residents don't want to feel like they are in a city. That's why we live here!

Ignoring your residents voices is shameful.
