Subject: [prc] 9/17/20 PRC Consent Items #1 &amp; #2 and Agenda Item #6

To: &lt;lori.parlin@edcgov.us&gt;, EDC COB &lt;edc.cob@edcgov.us&gt;

Cc: &lt;PRC@edcgov.us&gt;, Donald Ashton &lt;don.ashton@edcgov.us&gt;, &lt;bosfive@edcgov.us&gt;, bosfour &lt;bosfour@edcgov.us&gt;, &lt;bosone@edcgov.us&gt;, &lt;bosthree@edcgov.us&gt;, &lt;bostwo@edcgov.us&gt;, Vickie Sanders &lt;vickie.sanders@edcgov.us&gt;, Sweeney, Trish &lt;Trish.Sweeney@asm.ca.gov&gt;

The Brown Act requires 72 hours advance notice to the public. Both the 8/20 and 9/17 PRC meetings gave little more than 48 hours advance notice. Consequently both meetings proceeded outside of the law despite the fact that I gave the county multiple notices.

It was my understanding when I spoke with Tyra Scharfenberg (sp?) on 9/4 that Trish Sweeney was responsible for posting the PRC audio to the calendar. Neither Lori Parlin, Trish Sweeney nor Vickie Sanders would respond to my inquiries concerning the posting of the 8/20 PRC audio as required by law. (See below evidence)

Confusion ensued concerning my public comments submitted pertaining to the 6/18 and the 8/20 PRC meetings. Apparently the materials that Vickie Sanders had just distributed to the Commissioners prior to the 9/17 PRC meeting commencing were NOT the same as what appears below. I explained the glaring omissions and messed up public documents. Therefore the meeting minutes were incorrect and could not be lawfully approved without making necessary corrections. Tyra Stout and Vickie Sanders witnessed when the Commissioners disregarded the evidence and unanimously approved the fraudulent minutes when they knew it was unlawful to do so. Any such action is null and void.

The public is entitled to honest services. Transparency and accountability are EDC Core Values, but it is evident the PRC and other public officials have no intention of honoring those values or their Constitutional Oaths of Office. They were reminded that fraud is a federal crime under USGC Title 18, sections 241 & 242.

**Subject:** RE: [prc] FW: Please respond AND publicly distribute via Legistar AND post to the 9/17/20 PRC meeting agenda Items #1, #2 and #6

**Importance:** High

Lori,

This request still has not been publicly distributed and posted as initially requested on Tuesday 9/15/20 as required BY LAW.

Therefore I demand that you personally reply **immediately** to the following inquiries concerning today's illegitimate PRC meeting:

- 1) Under whose authority did you not personally respond to my below inquires pursuant to your oaths of office and AS MANDATED BY LAW?
- 2) Your explanation is in order why the minutes of the 6/18 and 8/20 PRC meetings not corrected AS MANDATED BY LAW?
- 3) Who gave the directive to NOT distribute my below public inquires and comments via Legistar and posted to the 9/17/20 PRC meeting agenda Items #1, #2 & #6 AS MANDATED BY LAW?
- 4) Who specifically gave the directive to UNLAWFULLY CENSOR my requests to post public comments, thereby depriving the public the right-to-know this vital information protected by the First Amendment?
- 5) The 8/20 and 9/17 agendas were NOT posted 72 hours in advance AS REQUIRED UNDER THE BROWN ACT. Therefore those meetings proceeded OUTSIDE OF THE LAW. Who specifically gave the directive for Vickie Sanders, Trish Sweeney and the Parks and Rec Commissioners to FRAUDULENTLY VIOLATE THE LAW AND THEIR OATHS OF OFFICE?

Your failure to personally respond in a timely manner is your admission to fraud, complicity, violation of your Constitutional oaths of office, and contempt for all EDC citizens. (Refer to USGC Title 18, Sections 241 & 242)

Ms. Parlin,

You know damn well that I cannot respond to Vickie Sanders since Don Ashton UNLAWFULLY and UNCONSTITUTIONALLY had IT block my ability to email most county staff.

Vickie Sanders did NOT appropriately answer the questions I posed to her last month, nor did you respond publicly to me during the BOS meeting. Brian Veerkamp was supposed to REMOVE Kris Payne from the PRC months ago for violating the Brown Act, but Brian LIED during our audio recorded meeting concerning his obligation to remove Payne pursuant to violations of his Principal Agent Oath of Office.

One of the items that was NOT attached to the 6/18 minutes was the Payne & Veerkamp Affidavits that were entered into the public record during the 6/30/20 BOS. Vickie must be looking at something else. These are snapshots of what I was talking about re: the 6/18 PRC public comments:

Something fishy is going on...

Why has my public comment not yet been publicly distributed and posted to the PRC agenda as required by law?Also note the error in the 8/20/20 agenda omitting Jeanne Harper as the interim District 5 PRC commissioner approved by the BOS on July 14<sup>th</sup> under Consent:

Furthermore, you have been unresponsive to phone calls and relative PRC agenda items. Vickie Sanders has been put on notice and she has no authority to speak on your behalf, so please quit with the BS and contact me directly. WHO IS RESPONSIBLE FOR THIS PRC/AGENDA MESS???

Melody,

I have answered the questions I could below in red.

Here

I again requesting you to answer the following specific questions that you and Vickie Sanders have avoided:

1) The draft minutes of the 6/18/20 PRC meeting do not contain my public comments and the un rebutted notification of legal responsibility addressed to Kris Payne which was submitted into the public record under Open Forum. This is information the public has a right to know, therefore the draft minutes cannot be approved as posted. **Why were they removed, and under whose direction?**

I have looked at the minutes for 6/18/20 and I find that Attachment B to the public comments is missing. I am unsure what the attachment was? Attachment A is your public comment and Attachment C is the email where you sent it in. You are the only one who made public comments. The email and comments are dated 6/18 they are not from 8/20.

2) Did Vickie and the Commissioners actually **receive and read** my August 18<sup>th</sup> email and the follow up email this morning regarding failure to comply with the Brown Act 72-hour notification requirements, and if so, **who specifically authorized this meeting to proceed outside of the law?**

3) **Who specifically prevented that notification from being publicly distributed and posted via Legistar as I requested?**

4) Lastly, Kris Payne was supposed to be removed from the PRC for violating his Principal Agent Oaths of Office. **So why is he still Chairman?**

This item is on the agenda for 9/17. It was postponed due to canceled meetings and not a full commission.

Lastly, item #6 of the 9/17 pertain to the missing 8/20 PRC Zoom video. Why has this audio/video not yet been posted as required by law???

I can request that #6 be moved up on the agenda. The meeting for 8/20 did not get recorded, therefore it was not posted. Which is why #6 is on the agenda for discussion.

Thank you,

Vickie Sanders

**Subject:** Please respond AND publicly distribute via Legistar AND post to the 9/17/20 PRC meeting agenda Items #1, #2 and #6

Lori,

Per my 9/4 conversation with Kyra, I presume that Trish Sweeney is still moonlighting for PRC and she responsible for posting the PRC audio/videos and the agendas 72 hours in advance as required by the Brown Act. You are aware that Don Ashton has unlawfully blocked my ability to communicate electronically with most staff. Therefore the responsibility falls on you to ensure this message is responded to, properly conveyed, and publicly distributed via Legistar and posted to the 9/17 PRC agenda in a timely manner.

When I checked the calendar yesterday morning to see if the 8/20 PRC video had been posted, it was still missing from the calendar. In fact, I checked and the 9/17 PRC agenda had not been posted either, however the below notification **false** claims it was posted on 9/11. Do the math – 9/15 @ 9:08 AM until 9/17 @ 3:00 PM is **less than 72 hours as required by law**. This is the same problem I brought to your attention last month, but you did not respond to any of my inquiries **as required by law**. **This meeting should NOT take place as it is outside of the law!**

Then there is the problem of the erroneous 6/18 and 8/20 minutes which are a total mess!:

### FUNDING:

The 6/18 minutes contain my 8/20 public comments, plus other items mixed in that I did not submit. What happened to my 6/18 public comments??? However my public comments were not included in any of the 8/20 PRC agenda items. Where are they??? Furthermore, the Kris Payne walked out of the room again while I was speaking and the meeting was a fraudulent circus act. The article that appeared in the Mtn. Democrat was based on fraudulent information:
