Re: 11-17-20 Agenda Item #30, File #20-1514, CIP and TIF Program

Dear Fellow Board Members,

I am requesting you to reinstate road improvement projects that were removed from the Capital Improvement Program (CIP) in the 2016 update.

As the County grows, I am becoming increasingly concerned about capacity and safety issues on Green Valley and Bass Lake Roads.

If we don't collect fees now from development, how will we pay for the road improvements when we do need them?

Thank you,
