I would like to speak to the Urgency Housing on the agenda for tomorrow, December 2,.

I addressed the board a year ago & pleaded for relief housing for the less fortunate. I have always had a cooperation with county staff on issues trying to make people's life better, but this item's completion has been even a surprise to me. As bureaucracy goes, a year is a remarkable time frame.

I appreciate the relationship with staff & the citizens & I am so proud of this coming to fruition, a true ' Government for the People by the People.

This ordinance is even more needed now than a year ago. The ways it will help people is too numerous to list, you all know of many individual situations.

I look forward to a favorable vote & I thank you & staff for your concerted efforts.

Thanking you in advance, I remain,

Sincerely yours, Bonnie & Traci Mclane
