Persons who meet the criteria to be considered “consultants” as defined in Title 2, California Code of Regulations (“CCR”), §18700.3(a), shall file a statement of economic interests. At the time the contract with the consultant is made, the County contract administrator shall make an initial determination whether or not the consultant meets the criteria of 2 CCR §18700.3(a) (quoted below). If it is determined that the consultant meets the criteria, the County contract administrator shall notify the Chief Administrative Officer who shall then make a final determination. The Chief Administrative Officer or designee may determine in writing that a particular consultant, although a designated position, is hired to perform a range of duties that is limited in scope and thus is not required to fully comply with the broadest disclosure category. Such written determination shall include a description of the consultant’s duties and, based upon that description, a statement of the extent of disclosure requirements. Such determination is a public record and shall be retained for public inspection in the same manner and location as this conflict of interest code.

The current version of Title 2, California Code of Regulations, §18700.3(a), reads as follows:

(D) Authorize the agency to enter into, modify, or renew a contract provided it is the type of contract that requires agency approval;

(E) Grant agency approval to a contract that requires agency approval and to which the agency is a party, or to the specifications for such a contract;

(F) Grant agency approval to a plan, design, report, study, or similar item;

(G) Adopt, or grant agency approval of, policies, standards, or guidelines for the agency, or for any subdivision thereof; or
