SUBJECT: Little Sluice Public Meeting

On September 16, 2009, the Department of Transportation held a public meeting to discuss Little Sluice. There were approximately 100 people in attendance, and the meeting was recorded by John Tibbals. I have attached a copy of the DVD to give you an opportunity to view the meeting if you wish before the subject of the Rubicon comes to your board on January 26, 2010.
