List all County boards, commissions or committees to which you are/were appointed. Please include dates of service. <b>-none- Student Body President, American River College, Placerville (1975) is the best I can do!</b>		
Summary of qualifications <b>I have a Bachelor degree in Wildlife Conservation (CSUS) and a Masters degree in Genetics (UCD). I interned with CDFW while at CSUS and worked in conifer genomic research for 21 years. I worked in wildlife research from 2009 until retirement in 2016. During that period, I conducted research in mammalian population genetics, avian reproductive success, Western Pond Turtle telemetry monitoring, California fisher conservation through the CA Fisher Working Group and the Southern Sierra Nevada Fisher Working Group. After retirement, I continued my collaboration with CDFW and Caltrans personnel in monitoring and collecting image data of wildlife activity on the Hwy 50 corridor in Camino. The data was used to determine the location of installment of a wildlife undercrossing included in the Camino Safety Project currently under construction.</b>		
Affiliations with professional and/or community groups <b>The Wildlife Society (Member) Pacific Southwest Research Station, Institute of Forest Genetics (Volunteer) Marshall Medical Center (Volunteer)</b>		
Why do you seek appointment? <b>I earnestly seek solutions for humans and wildlife to co-exist.</b>		
Additional Information <b>I have invested 14 years visiting patients at Marshall hospital, and will continue that work via telephone (because of recent surge in COVID-19) More information about my professional background can be viewed at <a href="http://www.naturalbornferret.com">www.naturalbornferret.com</a></b>
