**RE:** Authorization to Purchase Firearm

---

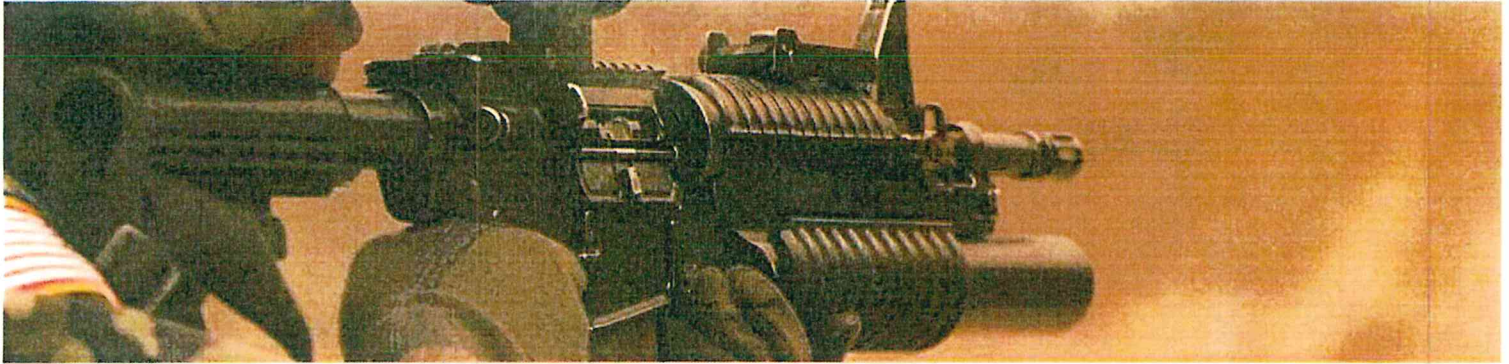

Ashley Hackworth has requested to purchase her department issued firearm: Glock Model 45, GEN 5, (Serial Number BKLY573). As part of that process, I was requested to inspect and determine the “blue book” value of the firearm. In my opinion, this firearm is in “excellent” condition and therefore the “blue book” value is \$460. I’ve attached the blue Book of Gun Values criteria for reference.
