

To Elizabeth Blakemore and all CAPC members,

Please accept this as my formal notice of resignation from the El Dorado County Child Abuse Prevention Council. I no longer reside in El Dorado County. Unfortunately, due to county rules regarding residency requirements, I cannot continue to serve El Dorado County as a member of CAPC.

Feel free to contact me through my employer, the El Dorado County Sheriff's Office, if I can be of future service to you.

I wish everyone the best in 2021 and beyond.

Daniel Johnson
