Subject: MMBA Representation Petition

On September 10, 2020, I received the Meyers-Milias-Brown Act (MMBA) Representation Petition and supporting documents on behalf of Joshua Courtney. In addition, on September 22, 2020, I received an amended MMBA Representation Petition. As you are aware, on October 7, 2020 the Public Employment Relations Board issued a Notice of Withdrawal and Closure of Case. As such, I evaluated your petition and supporting documents consistent with the County of El Dorado's Employer-Employee Relations Resolutions (EERR), Article II, Section 2.01 (a-J) - Filing of Recognition of Petition by Employee Organization.

Upon my review, there appears to be a deficiency in your original and amended petitions, as noted below:

- Article II, Section 2.01(f) - you did not provide a certified copy of the Employee Organization's constitution and bylaws.

Please submit a certified copy of the Employee Organization's constitution and bylaws or provide written documentation that you are authorized to certify that the document provided is the current and accurate version of the Employee Organization's constitution and bylaws.

Upon receipt of an amended MMBA Representation Petition I will evaluate your petition consistent with Article II, Section 2.02 and 2.07.

Feel free to contact me at [tameka.usher@edcgov.us](mailto:tameka.usher@edcgov.us) with any questions or concerns.

Sincerely,
