Subject: Agenda Item 21-0190

To:

Honorable Board Member,

It has come to our attention that several positions with the Sheriff's department, that we currently represent, are presenting a petition to separate from our bargaining unit.

We currently represented these employees and feel that this would be an unnecessary disruption to the continuity of labor relations. We are also concerned that a separation would cause confusion for those employees currently holding these positions, as we are currently in the midst of negotiations.

We believe that the denial by the Employee Relations Officer was appropriate. Our position is one of denial for the severance petition, Agenda Item 21-0190, as we have been and continue to represent these positions.

Respectfully,  
Rebecca Klare
