## Grants Management System (GMS)

GMS is CalRecycle's web-based grant application and Grants Management System. Access to GMS is secure; grantees must log in using a WebPass. WebPass accounts are tied to a specific email address. If an email address changes, or if it becomes inactive, the grantee must create a new WebPass account to continue accessing GMS. Establish or manage a WebPass at [CalRecycle's WebPass page](https://secure.calrecycle.ca.gov/WebPass/) (<https://secure.calrecycle.ca.gov/WebPass/>).

### Accessing the Grant

Grantees must [log in to GMS](https://secure.calrecycle.ca.gov/Grants) (<https://secure.calrecycle.ca.gov/Grants>) using their web pass. After logging in, locate the grant in the **My Awarded/Open Grants** table and select the **Grant Management** link. The **Grant Management Module** includes the following sections:

- **Summary tab:** Shows approved budget, paid and remaining amounts. (This section is available to the grantee in read-only mode.)
- **Payment Request tab:** Grantee requests reimbursement.
- **Reports tab:** Grantee uploads required reports.
- **Documents tab:** Grantee uploads all other grant documents that are not supporting documents to a payment request or a report. This section also provides access to documents that were uploaded within other sections of GMS.

Follow the instructions in GMS to work in the system. The following sections describe the reports, transactions, and supporting documents CalRecycle requires.

## Contact Updates

Access to the grant is limited to those listed in the **Contacts** tab of the **Application Module** with the “Allow Access” check box marked. A contact may be listed but not granted access by not checking the box. Please note, if a contact is granted access to a grant they will be able to edit contacts, submit payment requests, upload reports, and view all documents. Those with access may update contact information for all contact types except Signature Authority. Email the assigned Grant Manager regarding any changes to Signature Authority information.

# Prior to Commencing Work

Prior to commencing work under this grant, the grantee's Grant Manager or primary contact and authorized grant Signature Authority should review the Terms and Conditions (Exhibit A) and the Procedures and Requirements (Exhibit B) to identify key grant administrative requirements. Evaluation of the grantee's compliance with these requirements is a major focus of grant audits.

## Reliable Contractor Declaration

Prior to authorizing a contractor or subcontractor to commence work under this grant, the grantee shall submit to the Grant Manager a declaration from the contractor or subcontractor, signed under penalty of perjury, stating that within the preceding three (3) years, none of the events listed in [section 17050 of Title 14](https://www.calrecycle.ca.gov/Laws/Regulations/Title14/) (<https://www.calrecycle.ca.gov/Laws/Regulations/Title14/>), California Code of Regulations, Natural Resources, Division 7, has occurred with respect to the contractor or subcontractor. The grantee must submit this form for each contractor and subcontractor working under the grant.

If a contractor or subcontractor is placed on the [CalRecycle Unreliable Contractor List](https://www.calrecycle.ca.gov/Funding/Unreliability/) (<https://www.calrecycle.ca.gov/Funding/Unreliability/>) after award of this grant, the grantee may be required to terminate the contract. Obtain the Reliable Contractor Declaration form (CalRecycle 168) from [CalRecycle's Grant Forms web page](https://www.calrecycle.ca.gov/Funding/Forms/) (<https://www.calrecycle.ca.gov/Funding/Forms/>).

The grantee must upload a scanned copy of each signed Reliable Contractor Declaration form in GMS. To upload the form:

1. Go to the **Reports** tab.
2. Click on **Reliable Contractor Declaration** under **Report Type**.
3. Click the **Add Document** button.
4. Select Reliable Contractor Declaration in the **Document Type** drop down box, enter a document title, click the **Browse** button to search and upload the document, and then **Save**.
5. Click on the **Submit Report** button.

For further instructions regarding GMS, including login directions, see the "Grants Management System" section (above). For further instructions regarding uploading documents, see the ["Grants Management System"](https://www.calrecycle.ca.gov/funding/gms) (<https://www.calrecycle.ca.gov/funding/gms>) section of the CalRecycle web site for instructions and links to instructional videos.

To upload a report:

1. Go to the **Reports** tab.
2. Click on the appropriate Report Type.
3. Click on the **Add Document** button.
4. Choose the Document Type, enter a document title, click the **Browse** button to search and upload the document, and then **Save**.
  - Select the **Back** button to upload another document and continue the process until all required documents as listed below are uploaded.
  - The maximum allowable file size for each document is 35MB.

Procedures and Requirements

Local Government Waste Tire Enforcement (TEA) Grant Program Grant Program (FY 2020-21)

## **Performance Evaluation**

The grantee will be evaluated on its effectiveness and efficiency in fulfilling the procedures and requirements outlined in this document. The Progress Report and Final Report will collect some of the data for this evaluation.
