Why do you seek appointment? My career has put me in positions to suggest changes to policy and procedures. Our company made the first Graduated Payment Mortgage in the United States. We also convinced HUD/GNMA to cancel its national GNMA 22(b) program because of corruption and outlined a new program that became the Mortgage Credit Certificate program helping marginalized people to achieve home ownership. The water board I referred to above created the purple pipe resolution to excess water release into the San Francisco Bay. I have a great deal of energy and success in my background and think I could help the Library do some wonderful new things.			
Additional Information I belong to the Serrano Senior Men's Reading Group and we try to benefit the El Dorado Hills Library annually. Candidate for San Jose City Council 1995. Candidate for El Dorado County Board of Supervisors 2015. I am an enthusiastic member of District Church in EDH's I write music, play golf, read, and enjoy gardening.
