To Whom it may concern:

I applaud the El Dorado County Board of Supervisors for working hard to petition and receive approval for Stage 2 opening in El Dorado Hills. Thank you for advocating for small businesses and freedoms in our community!

My family was also pleased that the tennis courts, dog parks etc. were re-opened by the EDHCSD. However, why are the play structures and other facilities not opened yet? Our neighbor Folsom city parks as well as Folsom Lake have opened up and we are in a less "restricted" area per the COVID-19 guidelines. We hope that this will be remedied soon so our children can have more outlets to enjoy the outdoors, especially with school being closed for so long. As tax-payers, it would be great to see our funds put back to use and in our opinion it was a shame to see outdoor areas in our neighborhoods being shut down in the first place.

I look forward to your response.

Thank you,

Ali Esten

Dear Sir – I am writing to you again today to urge you to put a stop to Newsom’s infringement on the constitutional rights of us in El Dorado County. He is on a very dangerous power trip and every single AMERICAN in California is depending on our elected to officials to remember the oath you took to protect the constitutional rights of your constituents.

The latest overreach is in regards to our nail salons, hair salons and barbers. The California Board of Barbering and Cosmetology have sent letters to these licensed individuals threatening to revoke licenses if they are caught practicing their trade (see attachment; paragraph 4 particularly). **HOW** can a board who is responsible for ensuring these individuals have met the required training in order to perform their trade now push their political agenda in agreement with Newsom? THOUSANDS of nail techs, hair stylists and barbers need our Government Officials to step in and remember that we each have constitutional rights which are being trampled on every single day in my state.

Thank you - Rose

< Board of Barbering and Cosmetology

The Board of Barbering and Cosmetology acknowledges and is sympathetic to the ever-changing environment that the Coronavirus (COVID-19) pandemic has created for our licensees. Our role is to ensure the health and safety of California consumers by promoting ethical standards and by enforcing the laws of the barbering and beauty industry. For the safety of our consumers and our licensees, the Board continues to urge licensees to abide by the Governor's stay at home order.

We have heard of businesses disregarding the stay at home orders. If businesses continue to put public health and safety at risk by not following the state and local shelter in place orders, and if circumstances warrant it, the Board may pursue disciplinary action against their license. This will not be taken lightly.

The Board is drafting a Returning to Work Checklist for establishments for when licensees are able to reopen safely. We want to make sure we are able to maintain consumer protection and help guide our licensees when the time is appropriate and directed by the Governor.

Again, the Board fully supports the Governor's stay at home order and we expect our licensees to comply.

We thank you for your understanding and patience during this time.

Sincerely,
The Board of Barbering and Cosmetology
