This is a photo of Camp Richardson beach this Sunday evening. Every beach in our region looked just like this. Hiking trails 5 people wide, people camping in prohibited areas, RV's and Vans parked all over town in parking lots camping at trail heads in some cases in the forest over brush. We are seeing crowds that equal 4th of July ever day. We have unlimited accommodations here in Tahoe. As counties across California close they simply flock to Tahoe where there are no restrictions. Cases are on a sharp rise effecting businesses ability to stay open as we have so many staff members getting infected with Covid. When will our Board of Supervisors reduce The flood of visitors before we have a health crisis here in South Shore?
