

COVID-19 UPDATE

Board of Supervisors' Meeting

Lynnan Svensson, MSN, RN, PHN
Public Health Nursing Manager
9/29/2020

Case counts / rates

- County-wide cumulative totals reported cases through yesterday
 - Cases
 - Deaths
- EDC remains in Orange Tier
- If outbreaks cause increase in positivity rates, adjudication process
- Lessons learned from recent spike in cases

School staff/teacher screening

- Periodic screening of teachers and staff
- Implementation this week
- 7 Testing Sites/125 staff per day
- 50% of staff each month
- Testing site logistics

Outbreak in youth sports facility

- Local youth sports facility several instructors COVID positive
- Many students exposed, some already tested positive
- Affecting several schools (students, parents, teacher)
- Strong collaboration and communication between EDCOE and Public Health
- Lessons learned

THANK YOU
