Good morning Mr. Hidahl, my name is Sara Gordon and I had the pleasure of meeting you on Election Day. I first want to say thank you for taking the time to read this email. Our president Jen Yoder of the EDH Republican Women shared with us that you are advocating for the flexibility of youth sports to be played in El Dorado County. I appreciate your effort on this as sports are a big part of my kids lives. I appreciate your time and your representation.

Genuinely,
Sara Gordon
