Hello BOS of El Dorado County,

I have watched as my local businesses struggle and close down over this past year. It is heartbreaking. With every closure and restriction, we cripple and burden individuals who are simply trying to survive and put food on the table. I am urging you to waive and not fine any business for not submitting to the covid 'restrictions'. This 'flu', has a 99% survival rate (higher than the businesses that are surviving) and only a .0004% death rate in CA. (The death rate of businesses on the other hand is devastating). Have a human heart. Please.
