Supervisor Parlin,

I understand the board will be considering an increase in administrative costs for the Zones of Benefit on Tuesday. I am really opposed to this increase as it will dramatically cut into our meager funds for maintaining our road. We only have 22 parcels in our zone and collect \$10350 each year, but the overhead the county collects (admin, engineering, collection and insurance) leaves us with only \$8200 now. The new increase will cut our available funds to \$7150. This sure seems like a lot of overhead for the services we receive. I am sincerely hoping that you will oppose this latest money grab.

Thanks for your support,
