Dear California Fire Safe Council,

The El Dorado County Board of Supervisors authorizes the El Dorado County and Georgetown Divide Resource Conservation District (RCD) to apply on behalf of El Dorado County for the 2021 California Fire Safe Council County Coordinators Grant Project and serve as the grant subrecipient. Our Board is confident that the RCD can execute the scope of the grant program and meet project metrics and deliverables.

The RCD is aware that, as a subrecipient, they will be required to work closely with the El Dorado County Board of Supervisors and other fire mitigation groups within the county to meet the County Coordinators grant objectives of educating, encouraging, and developing countywide collaboration and coordination. Our Board is prepared to support and assist the RCD in the execution of these project goals.

Should you require additional confirmation of El Dorado County's support of the RCD, the Board of Supervisor's office may be reached at 530-621-5390 and edc.cob@edcgov.us.

Signed,

John Hidahl, Chair
El Dorado County Board of Supervisors

Clerk to the Board of Supervisors
