

2021-2029 Housing Element Update

Summary of Revisions to Public Review Draft

Additional revisions were made to the Public Draft in response to direction received during the Joint Workshop with the Board of Supervisors (Board) and Planning Commission (PC) on July 17, 2021, as well as in response to public comment and comment received from the California Department of Housing and Community Development (HCD).

Those revisions or additions to the Housing Element to address new state law and public feedback include the following:
