October 6, 2021

Attn: Mr. Tom Meyer, El Dorado County  
Sr. Administrative Analyst  
Economic Development Division

Good Afternoon Mr. Meyer:

On behalf of the Community Disaster Resource Center (CDRC), we would like to respectfully request a waiver of \$1303.00 for the TUP permit fees.

We are the sponsoring nonprofit organization for the upcoming Pumpkin Patch FUNdraiser to be held on October 16 & 17, 2021 at the Celio Ranch in Christmas Valley. The purpose of the fundraiser is to provide financial assistance to victims of either the Caldor or Tamarack fires.

The fundraiser is intended to attract families within El Dorado County by providing a fun, family oriented environment. We will offer a pumpkin patch, corn maze, horse petting area, live music, silent auction, and raffle. We will be soliciting donations at whatever level/amount the family can afford.

Further, we expect to have 4-5 food trucks registered by El Dorado County, to provide food options. The food truck will donate 100% of the profit (after cost of goods & labor).

We will also be selling pies and hot cider from Apple Hill. All of the pies and apple cider are expected to be donated by the Apple Hill Growers

The Caldor fire destroyed over 750 homes/buildings in El Dorado County alone. It is our intention to be able to provide another source of revenue for those victims that suffered damages/losses and to ease some of the pain.

Sincerely,

Pamm Bettencourt  
President, CDRC
