| First Name Sue | | Last Name Taylor | |
| | | Residential City Camino | Residential ZIP Code 95709 |
| Daytime Telephone | | Mobile Telephone | |
| Occupation/Title Building Designer | | Employer Self | |
| List all County boards, commissions or committees to which you are/were appointed. Please include dates of service. AdHoc Committee to the Building Industry Advisory Committee to fix the Permit Process - 2007-2008 EI Dorado County Child Abuse Council 1985-1987 | | | |
| Summary of qualifications Associate of Arts Degree, Design Technology and Accounting American River College, Sacramento, CA. Courses included: Freehand Orthographic/Pictorial, Machine Design, DIM, Architecture Engineer/Design, Civil/Survey, Land Manipulation, Commercial Structures, Environmental Systems, Master Planning 05/84-11/89 County of El Dorado Mental Health - Account Clerk III 11/89-12/98 Medical Billing - Self-employed 06/98-11/98 California Department of Forestry - Construction Management - Student Assistant 11/98-11/01 McGuire Engineering - Engineering Technician, Building Designer 11/01-Present Sue Taylor Design (I did contract work for El Dorado County Facilities for a couple years) My work involves designing buildings, from the foundation and site plans to the roof including electrical, mechanical, plumbing and landscaping plans. Most of my current work is in the Bay Area in which I participate in zoom meetings with Architectural and Planning Commissions. I have an understanding of the El Dorado County General Plan, the El Dorado County Zoning Ordinances and many of the Specific Plans. I was worked with Board of Supervisors in the past to fix the urban to rural community designation for the Camino and Pollock Pines area. I have worked with many community groups in order to help residents to have a better understanding of the planning process so they can participate in a beneficial manner. I am well versed in California Environmental Quality Act, the State of California Building Codes, Fire Codes and requirements, and current codes and policies coming from the State and the County. | | | |
| Affiliations with professional and/or community groups Leader and member of Women in Technology in the past Teaching Assistant, AutoCADD, California State University for Academic Talent Search . | | | |
| Why do you seek appointment? Because I love El Dorado County. I was asked by a El Dorado County Supervisor in 2007 to serve on a Board to bring a better building and planning permit process to the county. It would be nice to follow through with that commitment. Having worked with the County Building and Planning Departments for over 20 years I bring much knowledge, history and experience to help the County assist applicants to have a better and simpler experience through the planning process. I have the knowledge to assist the County in moving forward with the many policies in the 2004 plan that have yet to be implemented. Doing so would make the process much clearer and doable for those wanting to process any kind of plans in El Dorado County. I would also like to help with the healing of the Grizzly Flat Community. | | | |
