

Behavioral Health ARPA Request Summary

Amount: \$7,264,000

Provides the necessary funding to meet many current and future behavioral health needs of adults and children in El Dorado County through developing local treatment and services programs to serve eligible residents, including the following:

- ▶ Bridge funding to cover costs associated with Psychiatric Health Facility (PHF) administrative days and Institute for Mental Disease (IMD) placements which have been impacted due to COVID facility closures and reduced capacity for placements, statewide
- ▶ Developing lower levels of care (I.D.E.A. System Assessment):
 - ▶ Crisis Residential Treatment (CRT)
 - ▶ Crisis Respite Programs
 - ▶ Transitional Housing Programs
