ITEMS TO/FROM SUPERVISORS

Supervisor Briggs is the representative on the Elder Protection Unit and the Child Protection Unit. These units get together for the different age groups and discuss policy and practice. There was an incident several weeks ago involving a juvenile. By the time this juvenile got to the Child Protection Unit in a discussion forum, everyone at the table was informed. Since everyone knew the case was coming, they were able to work things out beforehand. Supervisor Briggs went on to state that the Elder Protection Unit and the Child Protection Unit advance the care and services of this County on a daily basis. Supervisor Briggs also stated that the Chief Administrative Officer brought in Investment Teams. The Investment Teams are very similar in their effect with communications within the County. Supervisor Briggs is going to focus on cooperation, discussion, communication and getting people in a room together and asking the right questions and listening to one another.
