2:30 PM

Environmental Management Dept.

An audio recording of this meeting will be published to the website. Please note that due to technology limitations, the link will be labeled as "Video" although only audio will play. The meeting is not video recorded.

At this time, the option to listen to meetings in real time via the website is unavailable. Audio recordings of the meetings will be available for playback once the meeting minutes are published, typically within two (2) or three (3) business days. Members of the public are welcome to attend meetings and should reference the meeting dates and times specified on the website.

The County of El Dorado is committed to ensuring that persons with disabilities are provided the resources to participate in its public meetings. Please contact the office of the Community Development Services, Environmental Management Department if you require accommodations at (530) 621-5300.

The El Dorado County Solid Waste Advisory Committee recognizes that written information submitted to the Committee the day of the Committee meeting may not receive the attention it deserves or the time needed to review it. The Environmental Management Department cannot guarantee that any FAX, email, or mail received the day of the meeting will be delivered to the Committee prior to action on the subject matter.

For purposes of the Brown Act § 54954.2(a), the numbered items on this Agenda give a brief description of each item of business to be transacted or discussed. Recommendations of the County staff or Committee members, as shown, do not prevent the Committee from taking other action.

Materials related to an item on this Agenda submitted to the Committee after distribution of the agenda packet are available for inspection during normal business hours in the public viewing packet located in Building A, 330 Fair Lane, Placerville or available upon request at the Community Development Services, Environmental Management Department, 2850 Fairlane Court, Placerville. Such documents are also available on the El Dorado County Solid Waste Advisory Committee's Meeting Agenda webpage subject to staff's ability to post the documents before the meeting.
