**DISCUSSION / BACKGROUND**

On February 22, 2022, the Board of Supervisors received a presentation by El Dorado Opportunity Knocks (EDOK) on the 5-year Countywide Homeless Strategic Plan, which was developed by gathering local data, stakeholder and community engagement as well as identifying gaps in services with those experiencing homelessness. The Plan identified that there are roughly 600 people experiencing homelessness in El Dorado County and approximately 80% of those individuals are unsheltered, according to the most recent Point-In-Time Count. The Strategic Plan, entitled “Collectively Building: A Community Plan to Prevent and End Homelessness in El Dorado”, seeks to build a system-wide approach to direct the strategies and investments toward a common goal of preventing and ending homelessness in El Dorado County.

The presentation on February 22, 2022 was the first opportunity the Board of Supervisors had to both review the Plan as well as discuss it among themselves and with the community. Recognizing that homelessness impacts the entire community, this issue is critically important in both meeting the needs of unhoused individuals as well as the larger community which remains extremely concerned about issues such as fire danger and impacts to businesses and the local economy.

On February 15, 2022, District 4 Supervisor Lori Parlin and District 3 Supervisor Wendy Thomas were elected to represent El Dorado County on the board of El Dorado Opportunity Knocks (EDOK). As representatives, they felt it was important to document the collective voice of the Board of Supervisors as well as the community who engaged during the February 22 presentation. The

attached letter, which represents an overview and summary of that discussion, including strategic priorities, is presented to the Board of Supervisors for their consideration and approval before submitting it to the board of El Dorado Opportunity Knocks (EDOK).

## **ALTERNATIVES**

The Board of Supervisors could choose not to submit a comment letter on the draft 5-year Countywide Homeless Strategic Plan.
