DISCUSSION / BACKGROUND

At the request of the Department of Transportation, the Procurement and Contracts Division issued an Invitation to Bid 20-292-016 for Washoe Sand. Washoe Sand is used on Tahoe Basin roadways for improved traction due to snow and ice during the winter seasons.

Ten (10) Bid Notification Letters were mailed, six (6) to local vendors. One (1) qualified response was received, none from local vendors.

ALTERNATIVES

Without Washoe Sand, there would be increased risk and expense for traveling hazards incurred on County roadways, as well as increased difficulty and expense in meeting the current regulatory permitting conditions and pollution control standards within the Tahoe Basin.
