DEPARTMENT RECOMMENDATION

Air Quality Management District recommending the Board, acting as the Board of Directors of the Air Quality Management District, adopt and authorize the Chair to sign the attached Resolution to establish an imprest cash account for the Air Quality Management District in the amount of \$100.

DISCUSSION / BACKGROUND

The Air Quality Management District receives payments for various District permitting fees. Currently, the District accepts check and cash payments over the counter, sometimes permittees attempting to pay with cash do not have exact change and need to leave the County Government center to obtain the exact amount, resulting in unnecessary delays and inconvenience for the permittee.

ALTERNATIVES

The Board could not adopt the Resolution establishing an imprest account for the District, and permittees will need to continue to bring exact change to pay their fees.
