**Resolution 090-2010**

**Overview**

On June 23, 2010 the Board adopted Resolution 146-2009 establishing a processing fee to offset some of the expenses related to the processing of assessment appeals applications.

During Fiscal Year 2009/2010 it was brought to our attention that the Resolution had incorrectly referenced California Government Code Section 65511.3 and after consulting County Counsel it was determined that the correct reference should be 68632. There were no requests for fee waivers during the year.
