Reason for Recommendation:

The Department of Transportation is working to advance the Capital Improvement Project (CIP) for the Cameron Park Drive/ La Canada Drive Intersection Improvement Project #72366. The project will widen the intersection north and south bound on Cameron Park Drive creating a turn lane onto west bound La Canada Drive. Signalization will be placed at the intersection for traffic control.

This project is subject to the California Environmental Quality Act (CEQA). The preparation of a CEQA Mitigated Negative Declaration has been completed and on July 10, 2007, your Board adopted and approved the project as described in the CEQA document.

The research of all potentially affected parcels, and the acquisitions of portions of the following subject parcels, are necessary from the subject property owners to enable the construction of the project. In order for the Department of Transportation (DOT) to prepare for negotiations with the subject parcel owners, DOT staff is requesting authorization from your Board to proceed with the acquisition process, including the ordering of, and payment for, title reports and obtaining certified appraisals of the land rights to be acquired.

Action to be taken following Board approval:

Right of Way Unit staff to proceed with the acquisition process for the subject parcels referenced herein, including ordering of and payment for title reports, and obtaining certified appraisals for portions of the subject parcels necessary to construct the project.
