On August 11 the Board received the Initial Draft Response to the Grand Jury Final Report and directed the Chief Administrative Office to include the following changes.

1. Roadside Memorial report, response to Recommendation 1 has been changed from "The recommendation will not be implemented because it is not reasonable," to "The recommendation has not yet been implemented but will be implemented in the future." As a result of Board discussion on this topic, the response to Finding 1 was also changed from, "The respondent agrees with this finding," to "The respondent partially disagrees with this finding" and now includes a reference to Title 12 of the County Ordinance Code relative to roadway encroachments.
2. Zone of Benefit report, response to Finding 9 now includes a more detailed discussion of the process for Zone of Benefit dissolution.
3. Zone of Benefit report, response to Recommendation 5 has been changed from, "The recommendation will not be implemented because it is not warranted," to "The recommendation requires further analysis."

The Penal Code deadline for submittal to the Judge is September 20, 2009. The Grand Jury Foreman has been notified of the day and time of this agenda item, and has been given a copy of the Final Draft Response per Board of Supervisors Policy A-11.

A proposed transmittal letter to the Presiding Judge is attached to this agenda item.

Action to be taken following Board approval: The Chief Administrative Office will submit the Final Response to the Presiding Judge and provide copies to the Grand Jury, affected departments and all county libraries per Board Policy A-11.
