Total Funding Available.....	102,000.00

Change To Net County Cost.....	0.00
--------------------------------	------

Fiscal Impact/Change to Net County Cost

Procurement and Contracts has been advised that funding is available within the Information Technologies budget.

Reason for Recommendation

At the request of the Information Technologies Department, the Procurement and Contracts Division issued an Invitation to Bid for Cisco Network Equipment. The Network Equipment needed, is for year two of a three-year plan to update the County data networking equipment and consolidate the voice and data networks into one coexistent network. This will lead to a more efficient and less costly network infrastructure and a more feature-rich phone experience as well as greater network reliability, minimizing the risk of employee down time.

Forty-five (45) bid notification letters were mailed. Five (5) qualified responses were received, none from a local vendor. The evaluation was based on the estimated number of network equipment components needed this fiscal year.

Action to be taken following Board approval

Following Board approval, the Procurement and Contracts division will issue a blanket purchase order in the amount of \$102,000.00 to AMS.Net of Livermore, CA.
