DISCUSSION / BACKGROUND

In 2016, the Board provided approval to submit a proposal to receive up to \$25,000,000 from the Senate Bill (SB) 844 Adult Local Criminal Justice Facility Financing program for a Jail expansion to the Board of State Community Corrections (BSCC). In 2017, the Board accepted the award from the BSCC and project management activities began. To facilitate this expansion, and to diminish jail operational disruption during construction, an expansion of the parking lot to be utilized as a contractor laydown area is required.

Upon approval by the Board, Procurement and Contracts Division and the Facilities Division will finalize the bid schedule, advertise for bids, and return to the Board with a recommendation for award at the conclusion of the bid process.

ALTERNATIVES

The Board could choose to not approve a complete parking lot expansion; however, this may result in operational disruption during jail expansion construction and may delay the project.
