Air Quality Management District (AQMD) recommending the Board authorize the Air Pollution Control Officer, or designee, to sign and submit the Subvention Application to the California Air Resources Board for Fiscal Year 2010-2011 for funding for air pollution control programs.

BUDGET SUMMARY:		
Total Estimated Cost		\$92,631
Funding		
Budgeted	\$92,631	
New Funding	\$	
Savings	\$	
Other	\$	
Total Funding Available	\$92,631	
Change To Net County Cost		\$0

Fiscal Impact/Change to Net County Cost:

Subvention funding of \$92,631 is included in the FY 2010-11 AQMD budget. No Change in Net County Cost.

Background:

The Budget Act of 2010 contains an appropriation of \$10,111,000 for subvention to all districts for air pollution control. The Health and Safety Code requires \$500,000 of the amount appropriated by the Budget Act be reserved for subvention to rural air pollution control districts to attain minimum subvention levels if certain criteria are met.

Reason for Recommendation:

This request implements the Board's revenue requirement in the AQMD approved FY 2010-11

budget by authorizing the submittal of the application for continued Subvention funding. These funds are appropriated in the State of California Budget Act of 2010 and are distributed to local air districts in accordance with formulas established by the California Health and Safety Code. This years annual fund award process mirrors that used in FY 2009-10.

The Subvention funding application form (Attachment A), designed to identify the total budget for AQMD's air pollution control program including a detailed breakdown by funding source, shall be completed by AQMD and submitted to CARB prior to November 15, 2010.

Action to be taken following Board approval:

1. Board Clerk to provide certified copy of Board's action to the AQMD.
2. The Air Pollution Control Officer to submit FY 2010-2011 Subvention funding application to CARB.
