Hearing to consider incorporating the draft Flood Damage Prevention Ordinance into Chapter 17.25 of the County Zoning Ordinance.

RECOMMENDED ACTION: Planning Commission recommending the Board of Supervisors find the project exempt pursuant to Section 15061 of the CEQA guidelines, approve OR07-0006 as amended, and direct staff to incorporate the optional language into the draft ordinance that would allow participation in the NFIP’s Community Rating System (CRS).

Background: Eileen Crawford, Department of Transportation, commented registered engineer should be changed to licensed engineer.

Staff and the Commission discussed change to the definition of “Mean sea level”.
