Recorder-Clerk-Registrar of Voters recommending the Board recognize September 24, 2013 as National Voter Registration Day.

Background

Americans will celebrate National Voter Registration Day, September 24, 2013 with a 50-state effort to register voters.

Reason for Recommendation

The goal of National Voter Registration Day is to create awareness of elections by encouraging Americans to register to vote and come to the polls for every election.

Your Elections Department personnel will be outside and inside of Building C helping everyone register to vote all day today. Encourage your neighbors and friends to register to vote. Remember, if you have moved recently within the county or moved into El Dorado County from another county, you must re-register to vote at your new address.
