DISCUSSION / BACKGROUND

In accordance with Board Policy Number C-17, departments are required to obtain authorization from the Board of Supervisors to utilize any contract that does not have a stated contract term on an annual basis. The Human Resources Department, Risk Management Division, has a Board approved contract with Ebix (Contract 4527) which does not have a stated contract term.

EBIX establishes and maintains all systems and programs necessary to maintain an accurate and up to date database of information concerning insurance information for the County's vendors.

Please note that this contract was brought to the Board 12/17/19 (Legistar Item 19-1789). The item incorrectly listed the term as January 1, 2020 - December 31, 2023, however, the agreement actually has no stated term.

Amendment I to the agreement adds three sections to the agreement: specifying the Human Resources Director as the contract administrator, adds an additional \$39,419 in compensation to the agreement for a revised not-to-exceed amount of \$75,819, and specifies the invoicing procedures.
