DISCUSSION / BACKGROUND

Agreement for Services 2501 (Agreement) with Whitney Environmental Consulting, Inc. (Whitney) which provided landscape design services for the U.S. 50/Silva Valley Parkway Interchange - Phase 1 Landscape Project (Project) was executed on March 27, 2018. In May 2019, Whitney was acquired by Helix Environmental Planning, Inc. (Helix) and the First Amendment to the Agreement was executed which changed all references from Whitney to Helix and the Agreement number to Fenix 3954.

The Agreement is due to expire on March 26, 2021. The Second Amendment will extend the Agreement to March 26, 2024 to allow for the completion of services, which includes bidding and award assistance for the Project. Additionally, the Second Amendment will update the job classifications and rates to those used by Helix. The rate schedule for this Agreement was developed with job classifications and rate ranges identified by Whitney and was not adjusted at the First Amendment with the acquisition by Helix. A comparison of the rates is attached for reference, however, it should be noted that the new and existing labor classifications differ, and original Agreement uses a range for rates, so the increase is difficult to quantify. Finally, the Second Amendment will increase the not-to-exceed by \$9,093.51 for a total of \$72,730.69.

The El Dorado County Employees Association, Local #1, has been informed of this proposed amendment.

ALTERNATIVES

The Board could choose to not approve this amendment. This would significantly increase both the cost of the remaining work and the time of completion.
