Chief Administrative Office, Facilities Division, recommending the Board consider the following:
 1) Adopt the plans and specifications concerning the Department of Transportation's Shakori Garage Replacement located at 1121 Shakori Road, South Lake Tahoe;
 2) Approve and authorize the Chair to sign the construction bid documents; and
 3) Authorize advertisement for construction bids (Bid Number: 22-968-062).

FUNDING: General Fund Capital Reserve.

In 2016, the Facilities Division commissioned a comprehensive facility assessment that included the Department of Transportation (Transportation), Maintenance and Operations garage building located at 1121 Shakori Road, South Lake Tahoe, CA. The study identified the Shakori garage as having building systems that are at the end of life after 42 years in harsh mountain weather conditions along with having significant structural deficiencies.

In 2020, the Board authorized the replacement of this facility and project management and architectural services have been ongoing. The plans, specifications and bid documents presented would provide for the replacement of this aged facility.

Upon approval by the Board, Procurement and Contracts Division and the Facilities Division will finalize the bid schedule, advertise for bids, and return to the Board with a recommendation for award at the conclusion of the bid process.

ALTERNATIVES

The Board could choose to not approve a complete facility replacement; however, County liability and employee safety would be a concern with the building being identified as having structural damage

and deemed at end of life.

PRIOR BOARD ACTION

January 14, 2020; Legistar File 19-1774; Agenda Item No.18: Department of Transportation approval of facility replacement and funding option direction.

December 8, 2020; Legistar File 20-1205; Agenda Item No. 7: Approval of Agreement for Services No. 5158 with Williams + Paddon/Architects + Planners, Inc. to provide on-call architectural services as related to the Department of Transportation's Shakori Garage Replacement Project.
