Fiscal Impact/Change to Net County Cost:

Without adoption of the proposed fees, current waste management programs will incur a severe deficit. No change to Net County Cost.

Background:

Each year since Fiscal Year 1988-89, the Board of Supervisors has held a public hearing to establish waste management parcel fees. For the Fiscal Year 2010-11, the proposed fees are the same as they have been since Fiscal Year 1992-93. The resolutions, programs, and fee schedules are differentiated by the two waste management areas, West Slope (Table 1) and East Slope (Table 2). See attachments Table 1 West Slope and Table 2 East Slope for the summary of fees.

Reason for Recommendation:

The hearing to adopt the proposed fees has been duly noticed in accordance with Section 6066 of the California Government Code.
