DISCUSSION / BACKGROUND

The Chief Administrative Office, Procurement and Contracts Division, monitors, maintains, and serves as the contract administrator for a countywide contract for the provision of confidential document and e-waste destruction services. Viking Shred LLC has provided these services for County departments on the Western Slope since 2020. On April 26, 2022, the Purchasing Agent executed contract 6429 with Viking Shred LLC for a two-year term of May 06, 2022 through May 05, 2024 with a contract value of \$75,800. On April 30, 2024, the Purchasing Agent executed the first

amendment to contract 6429 with Viking Shred LLC to extend the term for an additional six (6) months through November 05, 2024.

Due to an increased need for confidential document and e-waste destruction services by departments on the Western Slope of the County, the Division is requesting an amendment increasing the contract value by \$20,000 with no change to the rates or expiration date of the contract.

ALTERNATIVES

The Board could choose not to authorize the increase in funds, but Department's would still need to pay for services performed after the funds ran out.
