DISCUSSION / BACKGROUND

The location of 300 Fair Lane, Placerville, was formerly utilized by the Sheriff’s Office for administrative functions. With the facility well beyond its useful life, and the Sheriff’s Office having moved into the new Public Safety Facility in September 2019, the vacant structure will be demolished by the summer of 2021. Future use of this location is related to the Senate Bill 81 Local Youthful Offender Rehabilitative Financing Program New Placerville Juvenile Hall Facility Project.

300 Fair Lane shares the same parcel (APN 325-240-21-100) as the main government buildings located at 330 and 360 Fair Lane, the main library located at 345 Fair Lane, Agriculture located at 311 Fair Lane, and the dormant juvenile hall at 299 Fair Lane.

Senate Bill 81 Local Youthful Offender Rehabilitative Financing Program prefers a “clean” parcel arrangement and with the inclusion of State bond funding it’s in the County’s best interest to separate the impacted address of 300 Fair Lane into its own parcel.

Should the Board approve, the Division shall submit all necessary paperwork to the City of Placerville

to accomplish this task.

ALTERNATIVES

The Board could decline to split the parcel and any State encumbrances, etc., will impact the entirety of the parcel.
