Department of Transportation recommending the Board authorize the Chair to sign the County of El Dorado Airport Ground Lease for Portable Hangars No. 12-53554 for Hangar Space No. H-15 with Robert Ney Grant in an amount of \$817 per year for 10 years with two additional 10-year lease options, located at the Placerville Airport. (4/5 vote required per Ordinance Code §3.08.021)

**FUNDING:** Placerville Airport Enterprise Fund - Fee Revenue.

**Fiscal Impact/Change to Net County Cost**

The County fund for the Placerville Airport will receive revenue of \$817.00 per year for a rectangular hangar at the Placerville Airport. The price per unit is set by Resolution 097-2010.

**Background**

Airport users with portable hangars must enter into a lease with the County for the use of the Airport property in accordance with Ordinance Code §3.08.021. The Transportation Department (Department) revised the Airport Ground Lease for Portable Hangars to contain language that is required by the Federal Aviation Administration and the County. This language was approved by the Airport Committee and the Board on August 18, 2009

**Reason for Recommendation**

Board of Supervisors Policy F-5 states: "The word "hangar" in the four categories refers to a privately owned portable aircraft storage hangar constructed by a Lessee. That Lessee has entered into or holds an interest in an Airport Land Use Agreement for Portable Hangars (Lease) with the County of El Dorado for the hangar site." Mr. Grant has purchased Hangar H-15 from Edward Markie and is entering into this Agreement to lease the ground.

**Action(s) to be taken following Board approval**

- 1) The Board Chair will sign two originals of the Lease.

2) The Clerk of the Board will return one fully executed original of the Lease for transmittal to the Lessee.
