DISCUSSION / BACKGROUND

On November 8, 2022 (Legistar File 22-1915), the Board approved the Final Map and the Agreement to Make Subdivision Improvements for Class 1 Subdivision for Ridgeview Village Unit 9, TM 08-1477 (SIA) between the County, AG EHC II (NWHM) CA 2, L.P. (Owner), and The New Home Company Northern California, LLC (Subdivider).

The amount of \$3,192,706.14 does not represent the total cost of the improvements for the project as some of the work was completed under a previous Subdivision Grading Agreement, and developers are required to bond only for improvements that have not yet been completed. The total amount for

all improvements is \$3,677,439.44. Exhibit B to the SIA, "Certificate of Partial Completion of Subdivision Improvements," reflects the total project cost estimate, as well as notations of work already completed and thus a reduction in the bonded amount. The Performance Bond is held at 10% of the total cost of improvements for the warranty period, thus the reduction to \$367,743.94.

The subdivision improvements for the Ridgeview Village Unit 9 project have been completed according to the plans and specifications for this development and per the conditions of the SIA. Department of Transportation (Transportation) construction inspection staff has inspected the work and confirms the subdivision improvements are complete.

ALTERNATIVES

None; when the Owner/Developer completes all improvements and the County inspects and approves those improvements, the County is then obligated to approve reduction of the Bonds, if necessary, and initiate the warranty period.
